

PARTICIPANT APPLICATION

Design Assembly 2024

Saturday June 1 – Sunday June 9
Squam Lake, New Hampshire

Please complete the “Applicant Information” and essay sections below and submit (hard copy or digital) to:

Design Assembly
c/o McLeod Architects
3 Frog Hollow Alley
Middlebury, VT 05753
info@mcleod-architects.com

Application Deadline:	March 1, 2024
Applicant Notification of Admission Decision:	March 15, 2024
Acceptance, Waiver, and Payment Due, if accepted:	April 1, 2024

Design Assembly is open to current students and recent graduates from all undergraduate and graduate schools, regardless of major or degree. No experience with design or construction is necessary. The program fee for Design Assembly 2024 is \$1,800.00 (*Middlebury College students see below*). All instruction, housing, meals, design supplies, construction tools and materials, and other costs of the program, between arrival on the first day and departure on the last day, are covered by the program fee. Participants are responsible for their own travel to and from New Hampshire, and any accommodations before or after the program.

Applicants are encouraged to inquire with their home institutions about possible funding assistance. Past participants have secured academic grants, internship funding, and other forms of financial aid.

Middlebury College applicants: Donors have established scholarship funds to subsidize a portion of your program fee. Email info@mcleod-architects.com for details.

Applicants should be aware that Design Assembly will take place in a rugged, remote location. Participants will need to sign a *Release and Indemnity Agreement*, and will be asked to disclose any allergies or special dietary requirements, before the program begins.

DESIGN ASSEMBLY

www.design-assembly.org

Please explain below why you would like to participate in Design Assembly 2024, and describe any background, skills, or interests that you would contribute to this unique team experience. Note that the program is open to students in all fields, and no design or construction experience is necessary. Design Assembly is looking for students who will bring strong work and team ethics, an appreciation of the built and natural environments, and a commitment to community. Please help our admissions committee by writing clearly and personalizing your essay as much as possible. Authenticity is more important than length.
